WORK EXPERIENCE

PROJECT DARK HORSE (pre seed startup)

SDE Intern

Bengaluru, IN
Aug 2024 - present

Elite Aide [link](#)

- **Led the development** for Elite Aide, an innovative and interactive assistant app using figma and React Native CLI.
- Collaborated closely with the product team to define app functionalities and user flow, enhancing user satisfaction and engagement

PDH School [link](#)

- **Solely responsible for the website's design and development**, creating an engaging and informative online presence for PDH School.
- Employed best practices in web design and development, ensuring a seamless, accessible experience across multiple devices and browsers.

HAZO

- **Designed and developed the full-stack mobile app** using **React Native**, delivering a cross-platform solution for an engaging, humor-driven social media app with filters.
- Implemented **Redux for state management**, ensuring seamless updates and state synchronization for personalized content feeds and dynamic user interactions.
- Integrated **REST APIs** with front-end components, ensuring real-time content updates (memes, skits, flicks) and user-generated content like comments, likes, and shares.

CDAC NOIDA

Project Intern

- Overhauled the fullstack development and design of a conventional email-based translational management system into an efficient Translation Management using Django and React js.
- Integrated third-party APIs, including those provided by CDAC, to facilitate seamless translation processes, thus ensuring timely project delivery and improved workflow management

ACTIVITIES

CULTURAL SOCIETY

Head of Events

Banasthali University

July 2020 – May 2024

- **Led the design and execution** of visual materials for various university events, enhancing the aesthetic appeal and participant engagement.
- **Spearheaded the organization and creative direction** of events, incorporating innovative design solutions to improve event experiences.

MAYUKH TECHNICAL FEST

Core Team Member

Banasthali University

July 2023 – March 2024

- **Coordinated 30+ events**, playing a pivotal role in the successful execution of the university's largest fest.
